

**I pledge to be
The change I want to see
In the deep blue sea**

**I'll explore with care
For our ocean's beauty is rare**

**I am full of awe and wonder
It is a place like no other**

**For, did you know...
(fill in with a personal fact)**

**I promise to spread the word
Our seas' protection cannot be deferred**

**For I've met the sea
And will defend it ardently**

**Just you wait and see
I may be young but I am mighty**
